

Eric W. Robbins

erobbins.md@protonmail.com | 339-203-8046 | 227 S Durham Street, Baltimore, MD 21231

Postgraduate Training

2023 – PRESENT	Fellowship: Pulmonary and Critical Care Medicine <i>University of Maryland Medical Center & NIH / NHLBI</i>
2020 – 2023	Residency: Internal Medicine <i>Rhode Island Hospital / Brown University</i>

Education

2016 – 2020	Doctor of Medicine (M.D.) <i>Tufts University School of Medicine</i>
2006 – 2010	Bachelor of Arts (B.A.) <i>Pomona College</i>

Work Experience

6/2017 – 9/2017	Medical Editor <i>Journal of Medical Insight</i> <ul style="list-style-type: none">Directed the editorial department strategy for a peer-reviewed surgical video journalWrote abstracts for pre-print articles and evaluated medical accuracy of animations
9/2013 – 8/2016	Copyeditor <i>Cell Press, RELX Group</i> <ul style="list-style-type: none">Copyedited manuscripts for <i>Molecular Cell</i>, <i>Cell Metabolism</i>, <i>Cell Host & Microbe</i>, and <i>Neuron</i>Managed troubleshooting, technical design, and strategic initiatives for launch of new website
6/2011 – 9/2013	Editorial Assistant <i>Cell Press, RELX Group</i> <ul style="list-style-type: none">Ferried submitted manuscripts through all stages of the review, rebuttal, and re-review processes

Research

- [5] E. W. Robbins and M. Thanikachalam, “Relative contributions of insulin resistance and beta cell dysfunction to the development of type 2 diabetes in the PURSE-HIS cohort,” Poster Presentation, Poster Presentation, Tufts University School of Medicine Summer Research Fair, Boston, MA, Jan. 2018.

Submitted Research

E. W. Robbins, K. Bradley, D. Badesch, *et al.* “Medication Non-Adherence in Participants with Pulmonary Arterial Hypertension: The Pulmonary Hypertension Association Registry (PHAR),” Under Review at *Annals of the American Thoracic Society*

Ongoing Research Projects

Co-Investigator on a Meta-analysis on the Global Prevalence and Burden of Pulmonary Hypertension across Ten Global Regions

Board Certifications

2023 – 2033 | American Board of Internal Medicine

Society Memberships

Honos Civicus, Tufts University
American Thoracic Society
American College of Chest Physicians
Society of Critical Care Medicine
Massachusetts Medical Society

Committees and Other Appointments

12/2021 – PRESENT	Affiliate <i>medRxiv</i> <ul style="list-style-type: none">Screened submitted manuscripts for appropriateness, scope, and medical feasibility
5/2019 – 5/2020 5/2017 – 5/2018	Student Representative, Committee on Publications <i>Massachusetts Medical Society</i> <ul style="list-style-type: none">Weighed in on new initiatives, product development, and business strategies relating to the <i>New England Journal of Medicine</i> during quarterly meetings
7/2014 – 6/2015	Managing Editor <i>Harvard Medical Student Review (HMSR)</i> <ul style="list-style-type: none">Selected to serve on the Executive Board, playing a decision-maker role in the vetting of submissionsDesigned from scratch the peer review and publication production processOversaw the readying of submissions for publication, directly managing reviewers

Awards & Fellowships

12/2018	Lahey Top Gun <i>Lahey Hospital & Medical Center</i> <ul style="list-style-type: none">Achieved the top simulation score on my core surgery clerkship
6/2017	David F. Noonan Fellowship <i>Tufts University School of Medicine</i> <ul style="list-style-type: none">Awarded to fund summer research on relationship between beta-cell function and insulin resistance in diabetes development
