

Eric W. Robbins

erobbins.md@protonmail.com | 339-203-8046 | 227 S Durham Street, Baltimore, MD 21231

Postgraduate Training

| | |
|----------------|---|
| 2023 – PRESENT | Fellowship: Pulmonary and Critical Care Medicine <i>University of Maryland Medical Center & NIH / NHLBI</i> |
| 2020 – 2023 | Residency: Internal Medicine <i>Rhode Island Hospital / Brown University</i> |

Education

| | |
|-------------|--|
| 2016 – 2020 | Doctor of Medicine (M.D.) <i>Tufts University School of Medicine</i> |
| 2006 – 2010 | Bachelor of Arts (B.A.) <i>Pomona College</i> |

Work Experience

| | |
|-----------------|---|
| 6/2017 – 9/2017 | Medical Editor <i>Journal of Medical Insight</i> <ul style="list-style-type: none">Directed the editorial department strategy for a peer-reviewed surgical video journalWrote abstracts for pre-print articles and evaluated medical accuracy of animations |
| 9/2013 – 8/2016 | Copyeditor <i>Cell Press, RELX Group</i> <ul style="list-style-type: none">Copyedited manuscripts for <i>Molecular Cell</i>, <i>Cell Metabolism</i>, <i>Cell Host & Microbe</i>, and <i>Neuron</i>Managed troubleshooting, technical design, and strategic initiatives for launch of new website |
| 6/2011 – 9/2013 | Editorial Assistant <i>Cell Press, RELX Group</i> <ul style="list-style-type: none">Ferried submitted manuscripts through all stages of the review, rebuttal, and re-review processes |

Research

Submitted Research

E. W. Robbins, K. Bradley, D. Badesch, *et al.* “Medication Non-Adherence in Participants with Pulmonary Arterial Hypertension: The Pulmonary Hypertension Association Registry (PHAR),” Under revision at *Annals of the American Thoracic Society*

Ongoing Research Projects

Co-Investigator on a Meta-analysis on the Global Prevalence and Burden of Pulmonary Hypertension across Ten Global Regions

Board Certifications

2023 – 2033 | American Board of Internal Medicine

Society Memberships

Honos Civicus, Tufts University
American Thoracic Society
American College of Chest Physicians
Society of Critical Care Medicine
Massachusetts Medical Society

Committees and Other Appointments

| | |
|------------------------------------|--|
| 12/2021 – PRESENT | Affiliate <i>medRxiv</i> <ul style="list-style-type: none">Screened submitted manuscripts for appropriateness, scope, and medical feasibility |
| 5/2019 – 5/2020 5/2017 – 5/2018 | Student Representative, Committee on Publications <i>Massachusetts Medical Society</i> <ul style="list-style-type: none">Weighed in on new initiatives, product development, and business strategies relating to the <i>New England Journal of Medicine</i> during quarterly meetings |
| 7/2014 – 6/2015 | Managing Editor <i>Harvard Medical Student Review (HMSR)</i> <ul style="list-style-type: none">Selected to serve on the Executive Board, playing a decision-maker role in the vetting of submissionsDesigned from scratch the peer review and publication production processOversaw the readying of submissions for publication, directly managing reviewers |

Awards & Fellowships

| | |
|---------|---|
| 12/2018 | Lahey Top Gun <i>Lahey Hospital & Medical Center</i> <ul style="list-style-type: none">Achieved the top simulation score on my core surgery clerkship |
| 6/2017 | David F. Noonan Fellowship <i>Tufts University School of Medicine</i> <ul style="list-style-type: none">Awarded to fund summer research on relationship between beta-cell function and insulin resistance in diabetes development |
