

Eric W. Robbins, MD

erobbins.md@protonmail.com | 339-203-8046 | 10201 Grosvenor Place #1206, Rockville, MD 20852

Postgraduate Training

1/2025 - PRESENT	Research Fellowship: Suffredini Lab <i>National Institutes of Health, Critical Care Medicine Department</i>
7/2023 – PRESENT	Clinical Fellowship: Pulmonary and Critical Care Medicine <i>University of Maryland Medical Center</i>
6/2020 – 6/2023	Residency: Internal Medicine <i>Rhode Island Hospital / Brown University</i>

Education

8/2016 – 4/2020	Doctor of Medicine (M.D.) <i>Tufts University School of Medicine</i>
8/2006 – 5/2010	Bachelor of Arts (B.A.) <i>Pomona College</i>

Work Experience

6/2017 – 9/2017	Medical Editor <i>Journal of Medical Insight</i> - Directed the editorial department strategy for a peer-reviewed surgical video journal - Wrote abstracts for pre-print articles and evaluated medical accuracy of animations
9/2013 – 8/2016	Copyeditor <i>Cell Press, RELX Group</i> - Copyedited manuscripts for <i>Molecular Cell</i>, <i>Cell Metabolism</i>, <i>Cell Host & Microbe</i>, and <i>Neuron</i> - Managed troubleshooting, technical design, and strategic initiatives for launch of new website
6/2011 – 9/2013	Editorial Assistant <i>Cell Press, RELX Group</i> Ferried submitted manuscripts through all stages of the review, rebuttal, and re-review processes

Research

Ongoing Projects

Co-Investigator on a Prospective Registry Assessing the Proteomic Profiling of Myositis-Associated Interstitial Lung Disease, *Critical Care Medicine Department, National Institutes of Health*. Mentors and PIs: Anthony Suffredini, MD, and Julio Huapaya, MD, MHS.

Co-Principal Investigator on a Prospective Registry Assessing the Pulmonary Manifestations of Relapsing Polychondritis and VEXAS Syndrome, *Division of Rheumatology, Allergy and Clinical Immunology, University of Maryland*. Mentor and Co-PI: Marcella Ferrada, MD.

Co-Investigator on a Systematic Review and Meta-analysis on the Global Prevalence and Burden of Pulmonary Hypertension across Ten Global Regions, *University of Maryland Institute for Health Computing*. Mentor: Bradley Maron, MD. PI: Katarina Zeder, MD, PhD.

Board Certifications

2023 – 2033 | American Board of Internal Medicine

Society Memberships

Honos Civicus, Tufts University
 American Thoracic Society
 American College of Chest Physicians
 Society of Critical Care Medicine
 Massachusetts Medical Society

Committees and Other Appointments

12/2021 – PRESENT	Affiliate <i>medRxiv</i> • Screened submitted manuscripts for appropriateness, scope, and medical feasibility
-------------------	---

5/2019 – 5/2020	Student Representative, Committee on Publications <i>Massachusetts Medical Society</i> • Weighed in on new initiatives, product development, and business strategies relating to the <i>New England Journal of Medicine</i> during quarterly meetings
5/2017 – 5/2018	
7/2014 – 6/2015	Managing Editor <i>Harvard Medical Student Review (HMSR)</i> • Selected to serve on the Executive Board, playing a decision-maker role in the vetting of submissions • Designed from scratch the peer review and publication production process • Oversaw the readying of submissions for publication, directly managing reviewers

Awards & Fellowships

12/2018	Lahey Top Gun <i>Lahey Hospital & Medical Center</i> • Achieved the top simulation score on my core surgery clerkship
6/2017	David F. Noonan Fellowship <i>Tufts University School of Medicine</i> • Awarded to fund summer research on relationship between beta-cell function and insulin resistance in diabetes development
